

3 November 2010

Errata for Andy Doty's Jutland Form 10s.

The hit chances for Gunnery Standard 2 are inconsistent. The correct values are:

Short range: 50%

Medium Range: 30%

Long Range: 10%

Extreme Range: 5%

1) In the *FG&DN* 1.1 Damage Rules, on page 6-4, the hit chance for the Long Range band for Gunnery Standard 2 is listed as 15%. This is incorrect. As stated above, it should be 10%.

The corrected file is available for download at the Clash of Arms website.

2) The 55%, 35%, and 15% that appear on every Form 10 is incorrect. The correct values are 50%, 30%, and 10%.

Thanks to Richard Wimpenny.
